

Burgers Better Than Ever!

In 1964, our founder, Harry Reasner, opened the first Jim Dandy Family Restaurant. A major focus and commitment in his plan was to provide high quality food products, a commitment and focus that continues to this day. To carry on that tradition, Jim Dandy is now serving only CERTIFIED ANGUS BEEF®, widely recognized for its high quality, in all ground beef items.

Harry Reasner (left), founder, and Dan Green, original Jim Dandy Manager, at Noblesville J.D., 1964
